Sterigenics Statement Regarding Verdict in Kamuda Trial

We do not believe the jury verdict in this matter reflects the evidence presented in court. Sterigenics is evaluating the verdict and plans to challenge this decision through all appropriate process, including appeals. We will continue to vigorously defend against allegations about our ethylene oxide operations and emissions. We remain committed to our mission of Safeguarding Global Health. As we have consistently done throughout our history, we will continue to operate in compliance with applicable rules and regulations to ensure the safety of our employees, the communities in which we operate and patients around the world.
